

LIFT & TIGHT

IMMEDIATE AND LONG TERM LASTING LIFTING EFFECT

Kianomer

Dead Sea

Over the years, human skin loses its elasticity and wrinkles appear. Wrinkles are caused by cumulative damage to collagen and elastic fibers in the dermis due to sun exposure to the cumulative effects of gravity and facial muscle movement.

KianoMer Dead Sea introduces an innovative development of Lifting products that are adapted to the needs of dull and vitality lacking skin treating the early signs of aging.

The products are based on Sesame Protein – a strong antioxidant protecting the skin from damages caused by the elements and produces an almost immediate lifting effect leading to a young and healthy looking skin.

LIFT & TIGHT ACTIVE DAY CREAM

A highly concentrated lifting day cream designed to restore time damaged skin.

A scientifically advanced formula enriched with seaweed, sesame protein and minerals from the Dead Sea quickly absorbed diminishing wrinkles and visibly improving facial complexion focusing on fine lines and wrinkles.

LIFT & TIGHT NIGHT REPAIR CREAM

A rich rehabilitating formula designed to treat your skin from a daylong of exposure to the elements.

Rich with omega 3, vitamin capsule, sesame protein and natural oils fortified with Dead Sea minerals and unique moisture capturing component allowing the skin to refresh itself during a good night's sleep.

A fast absorbing cream designed to tighten and lift the skin whilst focusing on fine lines and wrinkles.

This Unique line of products enriched with Dead Sea minerals rich in magnesium and calcium, Shea butter for the treatment of dry skin, Avocado oil to promote the production of collagen fibers and Donaliela Seaweed - rich in beta-carotene helping to slowing skin's aging process. This unique combination of active ingredients gives skin all the tools it needs to fight the aging process. A constant use of KianoMer Lifting products will firm the skin, restores elasticity, visibly tensile the skin, significantly reducing fine lines and wrinkles living your skin vital and radiant.

LIFT & TIGHT INTENSIVE SERUM

This gentle yet intensive serum developed using innovative ingredients based on sesame protein to form the basis treatment for skin tightening and significant reduction of fine lines and wrinkles.
